Procedure under the newly stipulated mechanism by the Department of Expenditure made operational in the UT of J&K w.e.f. 01st July 2021.

1. This new mechanism for release of funds and monitoring utilization of funds released under NHM in J&K, invoked with the broad objective of avoiding unnecessary parking of funds at any level and therefore based on end-utilization of funds, Grant-in-Aid is released (sanctioned) in favour of end-user healthcare facilities in the form of drawing limits, instead of conventional transfer of funds.

2. Drawing limit as & when released / conveyed as per the availability of funds in the SNA, is equivalent to 'Notional' release of funds in the Zero Balance A/c(s) (ZBA) of respective healthcare facilities, mapped with the Single Nodal A/c (SNA) of the J&K State Health Society, now State Nodal Agency.
3. Mapped accounts of healthcare facilities will be ZBA(s), whereas funds lying in the SNA will remain available for end-utilization by the concerned healthcare facilities against drawing limit(s) allocated to them.
4. Implementing agencies shall undertake/ initiate financial transaction (expenditure) under NHM through EAT/ REAT module of PFMS, using their mapped ZBA(s).
5. Integrated banking system will settle the transactions, as initiated by the concerned healthcare facilities from its ZBA(s) through PFMS, with SNA against the allocated drawing limits of respective healthcare facilities.
6. Accordingly, against allocated drawing limits, concerned healthcare facilities shall have to make payments directly in favour of end beneficiaries/ vendors, after adhering to requisite codal formalities stipulated under relevant rules/ guidelines.
7. Funds shall have to be utilized against allocated drawing limits during relevant month. To elucidate the same, funds approved for implementation of DRP for any months are likely to be utilized, towards end payments to beneficiaries/ vendors, during succeeding months. Accordingly, drawing limit of concerned District Hospitals will be enhanced, to that extent mentioned above so as to enable these Hospitals to clear the liabilities last three months of 2021-22.
8. Utilization of limit for said approved activities will be the responsibility of the concerned Drawing & Disbursing Officers keeping in view drawing limits allocated/ available.
9. Any subsequent allocation of drawing limit will be subject to unutilized amount of drawing limit already allocated in favour of concerned healthcare facilities.
